BUREAU OF INDIAN STANDARDS

Manak Bhavan, 9, Bahadurshah Zafar Marg, New Delhi-110002
Website : www.bis.gov.in; Email : mstd@bis.gov.in

Methodology for changeover

1. Guidelines to changeover to revised Standard are issued from time to time and they are uploaded in the BIS Intranet. All the Auditors are requested to follow the guidelines. These guidelines are also made available to auditor through the intranet module under management system documents category.

2. Auditing and reporting

2.1 Normally assessment to revised standards would be made during a routine surveillance/recertification audit and the documentation shall also be assessed and reported as per the revised standards. However, a special audit may also be conducted only for verification of the revised Standards. This would be clearly spelt out in the guidelines.

3. Withdrawal of Standard

3.1 Upon notice of withdrawal of the old version of standard, the client organisation has to be directed to discontinue its use on all documents, advertising matters etc., discontinue the use of standard mark and where applicable, the use of the BIS notified licence number. In case, the client fails to meet such obligations, BIS may use other applicable measures as deemed appropriate.
