

Amendment – III

1. The Annexure – B (Fee Structure of BIS LRS) is amended as below:

S. No.	Item	Fees / Charges
I	Application Fee for initial recognition for up to 10 IS.	10,000 for Micro and Small Scale Labs / Women owned Labs 20,000 for Medium scale laboratories 40,000 Large scale laboratories.
II	Recognition Fee	60,000 for MSME/Women entrepreneurs For up to 50 IS
	Recognition Fee for up to 10 IS for 3 years	Rs 1,00,000 for other laboratories for up to 50 IS
	Recognition fees for 10 additional IS:	Rs 10, 000 for additional 50 IS each

2. Clause 6.4.1 to be amended as below:

The laboratory applying for inclusion has to submit undertaking given in Annex A declaring that the test facilities applied for are actually available in the laboratory. In case the application is not fit to be processed ahead, the application is to be closed and reason for closure informed to the laboratory. The laboratory can re-apply for inclusion after taking corrective actions. The verification of the IS included in the scope of recognition will be carried out through verification audit.

In case the test facilities for the products applied for are not found available in the laboratory during the verification audit, the IS included will be deleted from the scope of the laboratory with immediate effect and the laboratory will not be able to apply for inclusion for a cooling off period of three months from the date of deletion of IS from its scope.

In case of any other major deviations found during the verification audit, action as per BIS LRS can be taken against the laboratory.

ANNEX A
UNDERTAKING
FOR INCLUSION

We, M/s ,
with

BIS Recognized OSL

OSL Code

located at

are applying for inclusion of the following Indian Standards in our recognized scope under BIS LRS. We undertake that:

1. Complete test facilities for the Indian Standard (s) for which application has been made for inclusion under BIS LRS are available with our laboratory (except exclusions, if any). The exclusions of parameters due to technical reason, if any, have been mentioned in our application.
2. The required testing equipment with accuracy/ range/ least count / consumables etc as required for carrying out testing as per the Indian Standard for which inclusion application has been made are available in our laboratory.
3. In case the test facilities for the products applied for inclusion are not found available/ not found in working order in our laboratory during the verification audit, the Indian Standards included will be deleted from the scope of our laboratory with immediate effect and our laboratory will not be able to apply for inclusion for a cooling off period of three months from the date of deletion of IS from the scope.
4. In case of any other major deviations found during the verification audit, action as per BIS LRS can be taken against the laboratory.

Note : Any test parameters for which test facilities are not available and exclusion has been sought has to be mentioned in the inclusion application and decision on inclusion of such Indian Standard will be taken by BIS as per BIS LRS 2020.
