

BUREAU OF INDIAN STANDARDS

163rd Meeting of the Executive Committee

PROCEEDINGS

Day and Date : Tuesday, 25 November, 2025

Venue : Bureau of Indian Standards,
DG's Committee Room,
Manak Bhavan, 9, Bahadur Shah Zafar Marg,
New Delhi - 110002

PRESENT:

Chairman : 1. Shri Sanjay Garg, DG, BIS

Members (Present) : 2. Shri Bharat Khera, Additional Secretary,
Consumer Affairs;

3. Shri Sanjiv Shankar, Additional Secretary &
Financial Advisor, Ministry of Consumer Affairs, Food &
Public Distribution

4. Dr. Anant Sharma, National President;
Consumer Confederation of India (CCI);

5. * Ms. Charu Mathur, Director General, IEEMA;

6. * Prof. Devendra Jalihal, Director, IIT Guwahati

Representatives : 1. * Dr. Naveen Garg, Chief Scientist (NPL);

2. * Dr. Ashok Kumar, DDG, BEE;

3. * Dr. Ashish Kumar, Sr. Consultant, DPIIT;

4. * Smt. Asha Nangia, Scientist G and Group
Coordinator, MEITY;

**Members (Leave of
Absence)** : 1. Shri V Arun Roy, IAS, Secretary,
Industries Department Secretariat, Chennai
Government of Tamil Nadu;

2. Prof. Rajat Moona, Director, IIT Gandhinagar;

3. Shri Alok Kumar, Principal Secretary,
Infrastructure and Industrial Development
Department, Government of Uttar Pradesh

**BIS Officers
in Attendance**

- :
1. Shri H.J.S. Pasricha, DDG (Certification);
 2. Shri Chandan Bahl, DDG (International Relations);
 3. Shri Sanjay Pant, DDG (Standardization-II);
 4. Lt Col (Retd.) Kumar Shantanu, DDG (Administration);
 5. Shri Vinod Kumar, DDG (Finance);
 6. Smt. Chitra Gupta, DDG (Hallmarking & Training);
 7. Smt. Nishat S. Haque, DDG (Laboratory);
 8. Smt. Reena Garg, DDG (Standardization-I);
 9. Ms. Alka, Secretary (BIS);
 10. Smt. Shalu Varshney, H(P&C);
 11. Shri DMS Srinivas, Sc. D, SCMD;
 12. Shri Tushit Kamal, Sc. D, IR & TISD;
 13. Shri Ritesh Kumar Baranwal, DF;
 14. Shri Rajat Gupta, Sc. D, LPPD

** Through video conference*

Item 1 WELCOME BY THE CHAIRMAN

- 1.1** The 163rd meeting of the Executive Committee (EC) of BIS was held on 25 November 2025 to discuss the Agenda, circulated to the members on 18 November 2025.

Item 2 PRESENTATION ON IMPORTANT INITIATIVES TAKEN BY BIS SINCE LAST EC MEETING HELD ON 23 JULY 2025

- 2.1** DG, BIS welcomed the members. A presentation on activities of BIS, highlighting the important initiatives and achievements by BIS in recent past was made by the Activity Heads of BIS.

Item 3 CONFIRMATION OF THE PROCEEDINGS OF 162nd MEETING OF THE EXECUTIVE COMMITTEE (EC) OF BIS HELD ON 23 JULY 2025

- 3.1** There being no comments from the members, EC confirmed the proceedings of the 162nd meeting of the EC held on 23 July 2025 as given as Annex-3A of the agenda.

Item 4 ACTION TAKEN REPORT (ATR) ON THE DECISIONS TAKEN/ACTIONABLE POINTS OF THE 162nd MEETING OF EC HELD ON 23 JULY 2025

- 4.1** EC noted the Action Taken Report of the 162nd meeting of the EC held on 23 July 2025 as given in Annex-4A of the agenda.

Item 5 RE-CONSTITUTION OF ADVISORY COMMITTEES

Background

BIS has following Advisory Committees:

- (i) Finance Advisory Committee;
- (ii) Conformity Assessment Advisory Committee;
- (iii) Standards Advisory Committee;
- (iv) Testing and Calibration Advisory Committee;
- (v) Consumer Affairs Advisory Committee;
- (vi) Research Advisory Committee and
- (vii) Training Advisory Committee.

The above mentioned Advisory Committees were last constituted/reconstituted vide notification dated 13 September 2023 and in accordance with Regulation 9, the term of offices of Chairmen and other members of these Advisory Committees has completed. Hence, these Advisory Committees are to be reconstituted.

As per BIS/DGO(450)/2018 Dated 09 July 2018, Governing Council has delegated power of constitution of the Advisory Committees to the Executive Committee of BIS. Therefore, continuing with the same categories and composing committees as prescribed in the Regulations requires approval from the Executive Committee of BIS. However, if the categories are modified, amendment in Regulations is required and this requires approval from the Central Government.

Inputs were received from the concerned departments regarding re-constitution of the seven Advisory Committees. The composition of the following Advisory Committees has been desired to be kept same as was notified on 13 Sept 2023.

- (a) Finance Advisory Committee;
- (b) Standards Advisory Committee
- (c) Testing and Calibration Advisory Committee
- (d) Consumer Affairs Advisory Committee.
- (e) Research Advisory Committee;
- (f) Training Advisory Committee

However, it has been informed that the Conformity Assessment Advisory Committee requires changes in the composition for which, amendment in the Regulation needs to be made.

Proposal made to the EC

EC was requested to accord approval to the composition of the six Advisory Committees namely, Finance Advisory Committee, Standards Advisory Committee, Testing and Calibration Advisory Committee, Consumer Affairs Advisory Committee, Research Advisory Committee and Training Advisory Committee, same as was notified in 2023.

Decision of the EC

The Executive Committee approved the proposal.

Item 6 REVISED ESTIMATE (RE) 2025-2026 AND BUDGET ESTIMATE (BE) 2026-2027

Background

As per Section 22 of the BIS Act, 2016 read with Rule 38 of BIS Rules, 2018, Bureau shall prepare Budget Estimate (BE) for the next year and Revised Estimates (RE) for the current year showing estimated receipts and expenditure and forward the same to Central Government. The Governing Council (GC) in its first meeting held on 22.11.2017 had delegated this to DG with the approval of Executive Committee (EC). as per Rule 39 of the BIS Rules, 2018, *“the funds provided in the sanctioned budget shall be deemed to be at the disposal of the Director General who shall have full powers to appropriate sums therefrom to meet expenditure under different heads of accounts for activities and purposes authorized and provided for in the budget.”*

The Executive Committee in its 160th Meeting held on 19.11.2024 had approved RE 2024-2025 and BE 2025-2026. For the purpose of RE 2025-2026 and BE 2026-2027, estimated income and expenditure (including Capital Expenditure) have been obtained from respective Activity Heads and ROs/ BOs. The summary of proposal of budget under RE 2025-2026 and BE 2026-2027 is given as under:

(Rs. in Crore)

PARTICULARS	ACTUALS	BUDGET ESTIMATES (BE)	REVISED ESTIMATES (RE)	BUDGET ESTIMATES (BE)
	2024-2025	2025-2026	2025-2026	2026-2027
PART - 1 REVENUE BUDGET				
INCOME (A)	1261.30	1294.80	1326.26	1390.22
EXPENDITURE (B)	739.54	1136.94	1236.04	1221.22
SURPLUS TRANSFERED TO PENSION & GRATUITY LIABILITY FUND	177.53	157.86	90.22	169.00
SURPLUS TRANSFERED TO CAPITAL/CORPUS FUND	344.23			
PART - 2 CAPITAL BUDGET (INTERNAL RESOURCES)	70.66	748.71	686.02	685.82
PART 3 – LOANS & ADVANCES (INTERNAL RESOURCES)	1.06	1.37	1.40	1.40

Proposal made to the EC

Since Finance Advisory Committee (FAC) has not been reconstituted, therefore the Executive Committee (EC) was requested to consider the RE 2025-26 and BE 2026-27.

Decision of the EC

The Executive Committee approved.

Item 7 TRAINING AND CAPACITY BUILDING OF SCIENTIFIC AND TECHNICAL CADRE OFFICERS OF BIS LABORATORIES

Background

To enhance the competence and technical capability of officers posted in BIS laboratories, continuous skill development through structured training programmes is essential. While BIS regularly organises domestic trainings and workshops through the National Institute of Training for Standardization (NITS) and other internal mechanisms, there exists a need for structured foreign training and capacity-building programmes to provide exposure to international best practices, modern laboratory management systems, automation processes, and advanced analytical techniques.

In various meetings chaired by the Hon'ble Minister of Consumer Affairs, Food and Public Distribution, including his visit to the BIS Labs, directions were issued to assess and bridge the gap between BIS laboratories and international laboratories in terms of infrastructure, automation, and technological advancements. In continuation of this, a structured approach has been developed for capacity enhancement of laboratory personnel through foreign training programmes.

Accordingly, a Scheme for Training and Capacity Building of Scientific and Technical Cadre Officers of BIS Laboratories (Abroad) has been formulated. Under Clause 9(1)(f) of the BIS Act, 2016, the Bureau has the authority to provide training services related to quality management, standards, conformity assessment, laboratory testing, and calibration, and other allied areas.

Proposal made to the EC

It was proposed that the Scheme for Training and Capacity Building of Scientific and Technical Cadre Officers of BIS Laboratories (Abroad) may be approved by EC.

Decision of the EC

The EC deliberated upon the proposed scheme and observed that the proposal needs to be re-examined and reviewed. It was suggested that certain details such as number of trainees to be trained each year, budget requirement, duration of training, identification of relevant training institutes etc needs to be included in the scheme. It was further advised that a comprehensive proposal for the capacity building of laboratory staff may be brought before EC in next meeting.

Item 8 CONSTITUTION OF ASSESSMENT COMMITTEE FOR PROMOTIONS UPTO THE LEVEL OF SCIENTIST-E

Background

The agenda item "Constitution of Assessment Committee for Promotions upto the level of Scientist-E" was received from the HRD Department for approval of the EC members, via circulation, on 29 August 2025. In view of urgency, the agenda item was circulated to EC members vide our e-mail dated 29 August 2025. Agenda item was approved by the members of the Executive Committee (EC) of BIS.

Proposal made to the EC

This was for information of EC.

Decision of the EC

The Executive Committee noted.

Item 9. ANY OTHER BUSINESS WITH THE PERMISSION OF THE CHAIR

After the listed agenda, members made following observations:

9.1 EC recommended that since a number of QCOs have been withdrawn, the license applications related to QCO products may get reduced in future. Therefore, BIS may make extra efforts to encourage more manufacturers to take licences under the voluntary scheme.

9.2 While discussing Hallmarking, the EC recommended that:

i. BIS may undertake an exercise to map the entire country, with respect to Hallmarking coverage. This will enable BIS to exactly understand the area that is still to be covered across the country. Then efforts may be undertaken to encourage industry to open AHCs in those areas. It may also be explored whether future districts for hallmarking may be announced two years in advance so that jewellers get prepared and some AHCs may get opened during the period.

9.3 EC observed that the BIS Care app can be made more useful for common consumers. It was suggested that informative videos on Standards, importance of Standard Marks and other such relevant information be made available on the app. The relevant information and videos should be accessible through keyword search system. The BIS Care app may be made user friendly and interactive through the use of AI.

9.4 While discussing the immovable assets like lands and offices of BIS, it was observed by the EC that wherever BIS has its own land, steps must be taken to undertake construction of office buildings or laboratories as required. Otherwise, there is a possibility of these lands getting encroached up by the illegal occupants. Since BIS does not require any funds from Government, the proposal may be moved for approval of Competent Authority.

9.5 It was suggested by the EC that to make the functioning of BIS more effective, BIS may take project based activities in each vertical of BIS. Each activity head may prepare proposal for such projects with anticipated outcome and required funds etc.

9.6 EC member Shri Anant Sharma, National President, CCI requested that BIS may provide support to the '*Upbhokta Jagrukta Bharat Yatra*' through its network of Branch Offices across the country. It was informed to the EC that this '*Yatra*' will commence in December 2025 and will conclude in March 2026. The Chairman of EC suggested that a formal proposal elaborating the level of support required from BIS may be submitted by CCI to BIS. The proposal will be examined and required support as feasible can be provided.

Item 10. REVISION OF BIS R&D GUIDELINES

Background

The 'Guidelines for Research & Development (R&D) Projects for Formulation and Review of Standards' were earlier revised and issued vide document no. SCMD/R&D Guidelines/20250318 to streamline the process of commissioning of BIS-funded research & development projects.

During the implementation of Phase 1, 2 & 3, certain operational issues relating to financial aspects, project closure, timelines, and fund utilization were brought out in the existing guidelines.

Proposal made to the EC

Based on the experiences from ongoing R&D projects and in consultation with the Technical Departments, a set of amendments were proposed to revise the current guidelines for enhancing procedural clarity, administrative efficiency, and financial accountability.

Decision of the EC

The Executive Committee approved the amendments.
