CASTING THE NET WIDER : 2024 - 25

In 2024-25, NITS aims to expand its outreach by engaging with Government decision-makers responsible for implementing Govt Schemes to promote the utilization of Indian standards for quality assurance in procurement. Additionally, NITS plans to extend its reach to industry through training on contemporary topics and corresponding Indian standards, emphasizing the crucial role of Indian Standards in ensuring quality including laboratory practices. By enhancing industry management systems, NITS aims to boost output, risk reduction and conserve national resources. Furthermore, NITS seeks to collaborate with academia to impart knowledge about Indian standards making them future ready. Strengthening its own workforce through quality training and educating consumers via e-learning are also key objectives for NITS in the upcoming year.

FOR OFFICIALS OF GOVT DEPARTMENTS

It is important that National Standards must not only be open, timely and relevant but also complement the National priorities. Govt Departments being the key drivers of planning , designing, budgeting, investing and implementing the various schemes, it becomes extremely important for its officers to be well conversant with the relevant Indian Standards in respective fields. It is necessary that BIS builds their capacity and provides adequate handholding through training of the key personnel. These programmes are aimed at capacity building of senior officials in State and Central Govt Departments to equip them to utilize these standards in their policy and procurement thus leading to enhancement of the overall quality ecosystem in the country
